Episode 18 : Pencil and Pen

CHATTER

Please have yourself some cakes~
CHATTER
It's still warm~!

Sis! Over here!!!
WAVE

What took you so long? Traffic jam? Or did you have to take care of some things at campus?
The cakes have almost sold out.
But...
I fell asleep so, where are my cakes?

You and your habits here, I've saved some for you

Ta-da~

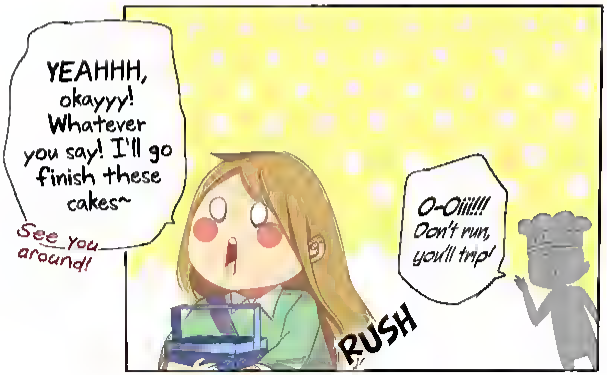
Waaa

UWAAAH! Is this really all for me?!

This is a really huge sale, so people buy in bulk

This is ultra-lucky!

I wonder... if all these cakes were for free, then maybe...
more people would come
Everybody loves free stuff.
-poof-



YEAHHH, okayyy! Whatever you say! I'll go finish these cakes~
See you around!
O-Oiiii!!! Don't run, you'll trip!
RUSH

Don't worry, I'M STRONG!
Ahaha
Don't forget to take your pill, sis!
Valge

I wonder when
these pills will run out...
I'm so sick of them.

And this pill is

very

bitter

Take it while looking at my face, that'll make it SWEETER.
SPLURT

Uwaaah
y-youuu!
You just came out of nowhere! I almost spat out the pill!

What are you doing here? Did you want the half-priced cakes? They're all sold out!
Huh

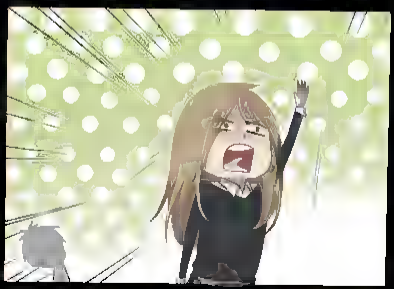
Not really
I was *accidentally* passing by, and I saw your sour face.

I accidentally brought this too. Here, Jasmine tea..

...and a cupcake with a fresh cherry on top.

LOADING
Did you forget? You ordered these last time.

Last time?



TL/N: Refers to chapter 11

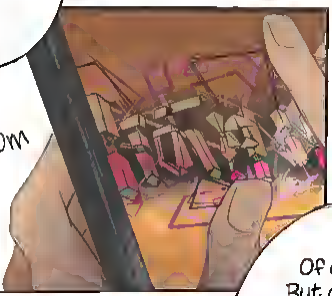
OOI~

UWAAA
O-Oh, that's right! How did you find out- eh, how do you even remember that?! This tastes as good as last time too!
I'm undeniably awesome, right?
asdfgh
Uh, so you really are the son of the owner of that coffee shop?
Do you have other secret moves for stalking?

I don't wanna talk about that, I wanna show you something
This is a graffiti that I made a month ago
The location is near XYZ bus stop
SHOWS

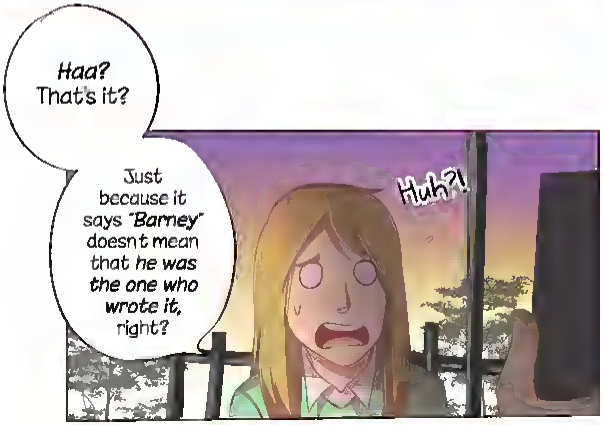
nom *nom*
That looks nice!

zoom



Of course
But once you zoom in, you'll see why I have *o problem* with that Croco-Twinkle

Look.
He signed his name on it.
This RUINED my art piece.



Haa?
That's it?
Just because it says "Barney" doesn't mean that he was the one who wrote it, right?
Huh?!

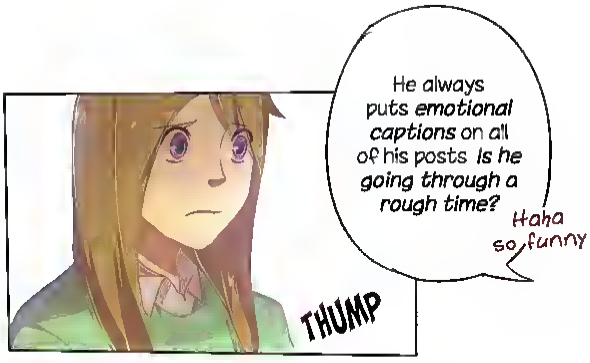
And if he's the culprit behind it, I'm sure he didn't mean to ruin your art...

Besides, you can cover that with paint, right?

Easy!

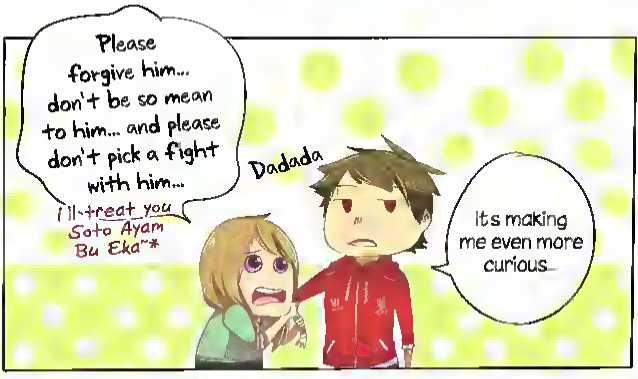
Actually, *I'm more interested in his life, and why he's been acting like that.*

I mean, he's an artist too, right? So why'd he do something that bad to another artist's work?
I also checked his instagr4m account. He has some interesting stuff, but it's also kinda weird.
Hmm



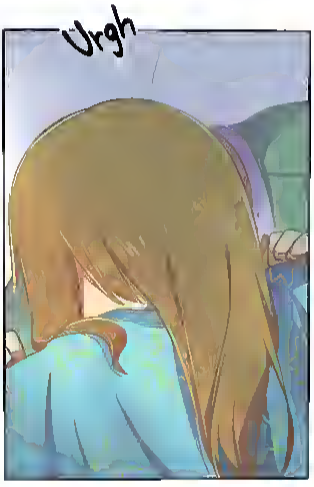
He always puts emotional captions on all of his posts. Is he going through a rough time?
Haha so funny
THUMP

I-I never knew about that, and I've never tried to pry either! As far as I know, Barney is a nice person who gets good grades! Everyone loves him! He likes lending his hand, and no matter how you look at it, HE'S NICE!!!
HUAAAAA
Haa?

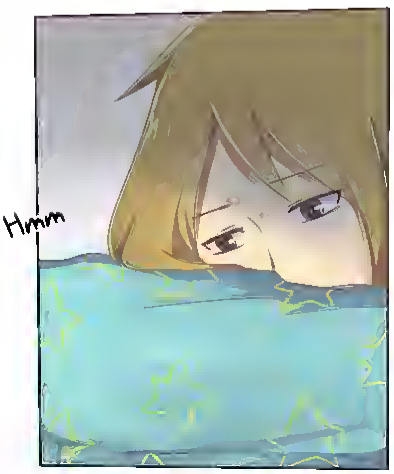


Please forgive him... don't be so mean to him... and please don't pick a fight with him...
I'll treat you Soto Ayam Bu Eka~*
Dadada
It's making me even more curious...

What..?
But sis, you're
never "full"...



Come to think of it,
I don't really know much about
Barney except how he is at campus...



"If you really are his admirer..."

from that perspective...

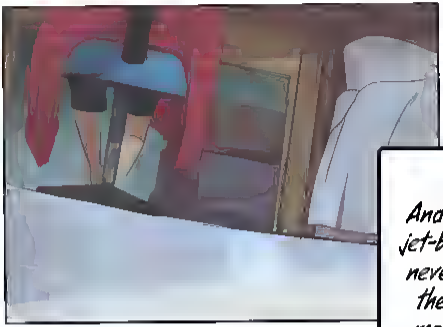
Or does it have
something to do with...

...what happened
a few years ago...

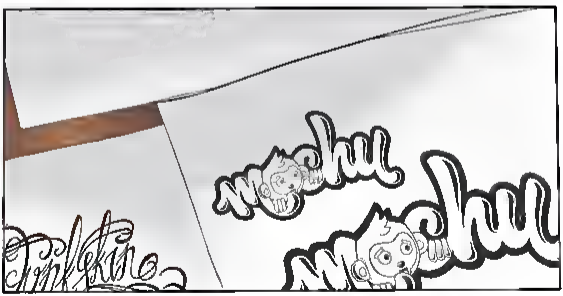
...when we met for the first time in the hospital?

A life sketch where the pencil is the main tool...

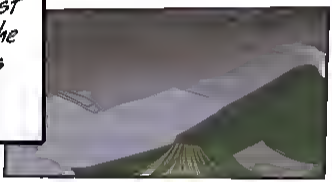
The blank ink traces the lines made with the pencil, marking the definite path of your journey through life...

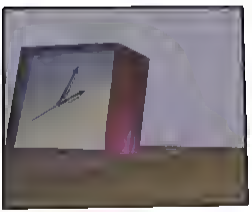


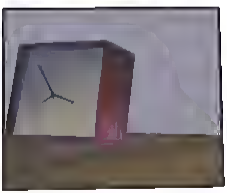
And just as that jet-blank ink could never be erased, the choices you make right now irreversible.

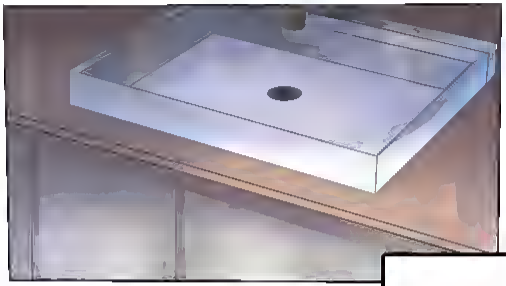


You follow the sketch made with the pencil, slowly, and carefully, just as you choose the option that has the least risk.

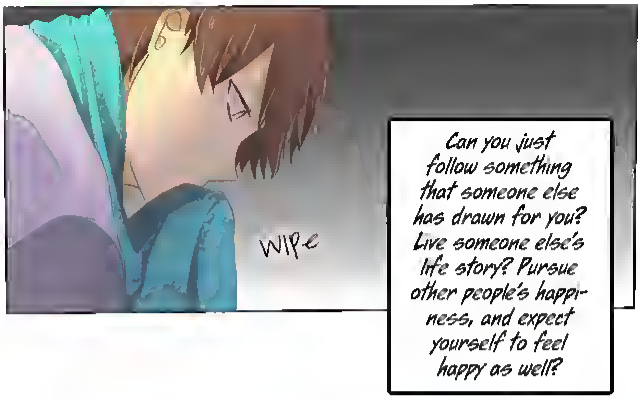






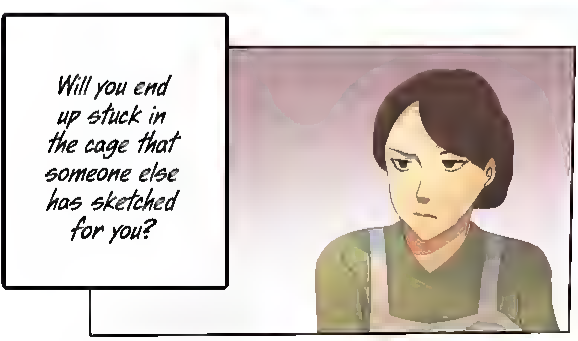


But, what if the sketch of your life has actually been made by someone else...?



WIPE
Can you just follow something that someone else has drawn for you? Live someone else's life story? Pursue other people's happiness, and expect yourself to feel happy as well?

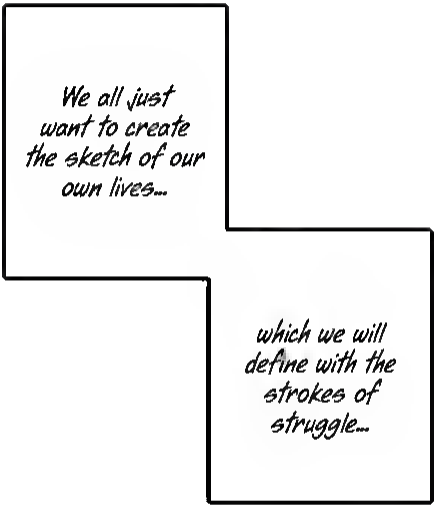
Where, then, would be the real "you"?



Don't be ridiculous... it's 4 a.m. for god's sake! Besides you're in your last year of university, you're not supposed to take care of those kind of things anymore!
STOPS

I'm leaving this early because if I'm late, someone will curse me to be alone for the rest of my life-

STOP MAKING EXCUSES!
Your father will be arriving home today, so you'd better not try avoiding him by staying at your friend's house or something
THUMP



We all just want to create the sketch of our own lives...
which we will define with the strokes of struggle...

To be continued

Thank you for sparing your time to read our story!
